## PROFILE

I am a qualified Full Stack Software Developer experienced in HTML, CSS, JavaScript, Python and Django. Highly driven and motivated, I readily adapt to different situations and thrive on delivery, success and attention to detail. An excellent team player, who is also self-motivated and self-reliant, that strives to improve and develop designs and systems.

## WORK EXPERIENCE

### DECATHLON SWEDEN: 2022 Mar – 2022 Sep STOCKHOLM

DECATHLON

#### Web Designer

- Overall responsibility for UI/UX at Decathlon Sweden
- Redesigned the Home page and Sports pages in accordance with Decathlon's graphic profile
- Created new features for the web using Javascript for better user experience
- Responsible for page loading times and optimisation of website
- Created material such as banners and other images in Adobe Photoshop for the Web
- Supported and trained colleagues with (HTML, CSS and Photoshop)

### FREELANCE: Web Designer/ Web Developer STOCKHOLM/ UK

As a freelancer I build websites from the initial agile framework discussions to deployment. I work closely with clients creating a strong rapport and loyalty. I continue to improve UI and UX and adhere to programming standards and clean code.

#### Ignite Theatre : 2022 Oct - 2022 Nov

- HTML, CSS, Python, JavaScript, Django, AWS, Postgres
- Created a new website for Ignite Theatre using Django with Python
- The website has CRUD functionality for the client to make changes to content
- AWS services, using Amazon S3, were used to store static and media files
- The website was deployed using Heroku and pointed to the domain at GoDaddy

#### Frank Hurst (Author) : 2021 Mar - 2022 Feb

- HTML, CSS, JavaScript, Flask, Python, Bootstrap
- A professional, stylish website for the thriller writer, Frank Hurst

#### Lisa Fairfield (Actress) : 2020 Mar - 2020 Jun

- HTML, CSS, JavaScript, Flask, Python, Bootstrap
- A fresh, stylistic website to showcase the actress, Lisa Fairfield

## INTERESTS

I enjoy writing and designing and I am currently compiling a family historical book using programs such as Indesign, Photoshop and Illustrator.

I thoroughly enjoy the experience and challenge of learning new programs and delivering satisfying results.

I am a manager and player for Långholmen Football Club playing 7 aside throughout the year.

I am also part of the board and help organise the clubs future and planning for each season.

I am an avid runner and gym enthusiast who enjoys the challenge of Obstacle Course Racing.

I have entered into competitions throughout Sweden and United Kingdom, with the most gruelling being the Rat Race that consisted of running 30km while tackling 200 obstacles.

I enjoy walking and trekking and have enjoyed many fantastic climbs throughout the world.

Including Kilimanjaro in Tanzania and extensive treks around the Himalaya's, Asia and Scotland.
